Directions

R.A. BARTLETT RESEARCH LABORATORIES
 13768 Hamilton Road, Charlotte, NC 28278
 Phone: 704-588-1150

From the North: Follow I-77 South to Exit 88/Gold Hill Road (next exit after Carowinds Blvd.). Take a right onto Gold Hill Road (Ft. Mill Ford dealership will be on the left as you exit). Go to fourth traffic light (Wachovia Bank on left and Rite-Aid Drugstore is on opposite right corner). Take a right onto Highway 160. Travel to first traffic light and take a left onto Hamilton Road. R.A. Bartlett Research Laboratories is located about 1/2 mile down on the left. You will see the white split-rail fence surrounding the property. Enter through the gated entrance and follow the road to the bottom of the hill to the office building.

VIA 485: From Asheville Take I-85 North to 485. Take 485 until you get to Fort Mill/Hwy 160 Exit. Follow Hwy 160 to Hwy 49. Cross Hwy 49 and go to first traffic light and take a right onto Hamilton Road. Lab is located 1/2 mile down on the left.

From the South: Follow I-77 North to Exit 85/Highway 160/Tega Cay. Take a left onto Highway 160. Travel this road for about 5 miles until you come to intersection of Gold Hill Road and Hwy 160. You will see Rite-Aid Drugstore on left corner just beyond light. Go to next traffic light and take a left onto Hamilton Road. R.A. Bartlett Research Laboratories is located about 1/2 mile down on the left. You will see the white split-rail fence surrounding the property. Enter through the gated entrance and follow the road to the bottom of the hill to the office building.
