

ARBORIST WORKSHOP

The Arborist Workshop offers a wide range of opportunities for members of the tree care industry including:

- Practical professional development
- Exploration of timely topics with industry experts
- ISA credits and pesticide credits
- Informative updates on the latest in arboriculture research
- Innovative techniques and tactics for field success
- Effective preparation for the ISA Certification exam

Whether you choose to take the ISA Exam or just attend the workshop as a refresher, your involvement will keep your professional development on the fast track.

WORKSHOP LOCATION
Harnett County Commons Building
309 Cornelius Harnett Blvd.
Lillington, NC 27546

The Commons Building sits along Highway 401 (a.k.a. Cornelius Harnett Blvd.) in Lillington on the northwest side of Main Street. It is at Main Street that Highways 401 and 421 merge, next to Harnett Memorial Cemetery.

If you are driving to Lillington from the south, you can exit I-95 at Highway 421 North. You will cross Main Street before turning left at the Commons Building.

Highway 210 enters Lillington from the northeast and southwest. It also becomes Main street in Lillington. If coming from the north, turn right onto Cornelius Harnett Blvd. to access the Commons Building; turn left if coming from the south.
