

**THE INTERNATIONAL SOCIETY OF ARBORICULTURE CERTIFICATION
PROGRAM**

Certified Arborist recognition is given by ISA to those who meet the eligibility requirements for admission to the examination, successfully complete the exam and maintain the necessary number of continuing education units to recertify after three years.

OBJECTIVES OF THE PROGRAM

- ↪ Provide education that will improve technical competency of personnel in the tree care industry.
- ↪ Create incentives for those individuals to continue their professional development.
- ↪ Provide the public with a means to identify professionals who have demonstrated, through a professionally developed exam and education program that they have thorough knowledge of tree care practices.
