

ARBORIST WORKSHOP

The Arborist Workshop offers a wide range of opportunities for members of the tree care industry including:

- Practical professional development
- Exploration of timely topics with industry experts
- ISA credits and pesticide credits
- Informative updates on the latest in arboriculture research
- Innovative techniques and tactics for field success
- Effective preparation for the ISA Certification exam

Whether you choose to take the ISA Exam or just attend the workshop as a refresher, your involvement will keep your professional development on the fast track.

THE INTERNATIONAL SOCIETY OF ARBORICULTURE CERTIFICATION PROGRAM

Certified Arborist recognition is given by ISA to those who meet the eligibility requirements for admission to the examination, successfully complete the exam and maintain the necessary number of continuing education units to recertify after three years.

OBJECTIVES OF THE PROGRAM

- ↪ Provide education that will improve technical competency of personnel in the tree care industry.
- ↪ Create incentives for those individuals to continue their professional development.
- ↪ Provide the public with a means to identify professionals who have demonstrated, through a professionally developed exam and education program that they have thorough knowledge of tree care practices.
